

An aerial night photograph of Oslo, Norway. The city is illuminated by streetlights and building lights, reflecting on the water of the harbor. The Holmenkollen Ski Stadium, with its distinctive white, wavy roof, is a prominent feature in the foreground. The harbor is filled with various ships, including a large cruise ship and several smaller boats. The city extends into the background, with hills visible in the distance under a twilight sky.

Cruise Center Altona

Located directly on the Elbe, the Cruise Center Altona is one of the four cruise terminals in Hamburg, where thousands of guests board the AIDA and My Ship ships for their journey by sea all year round. But that's not all: for your event, the Cruise Center Altona, which opened in 2011, can be transformed into a very special event location in no time at all!

On almost 1600 m² you can make your event ideas come true: Whether it's the hall with its 6.50 m high ceilings or the almost 300 m² roof terrace - the fully glazed location is the highlight for your conference, Christmas party, summer party, trade fair or wedding.

Whether locals or out-of-towners: With the location of the Cruise Center Altona and the view of the Elbe, the hustle and bustle of the harbor and the Elbphilharmonie, you are guaranteed to impress your guests.
