

An aerial night photograph of a city harbor. In the foreground, a large building with a distinctive, illuminated, wavy roof stands out. The harbor is filled with water, reflecting the city lights and the sunset sky. Several ships, including a large sailing ship, are visible in the water. The city skyline is visible in the background, with numerous buildings lit up. The sky is a mix of orange, pink, and blue, indicating the time is dusk or dawn.

Cruise Center Baakenhöft

Spacious, modern, at the meeting place: At the Cruise Center Baakenhöft, you can plan your events where cruise ships from all over the world dock and undock. In Hamburg's newest district - HafenCity - where the Elbphilharmonie concert hall, the city's landmark, is located and the time-honored Speicherstadt warehouse district is adjacent, this event location invites you to hold meetings, conferences and a variety of evening events against a breathtaking backdrop.

Think big, especially for your events: with the Cruise Center Baakenhöft, another important location for handling cruise ships was created at Cruise Terminal HafenCity in 2020. On an area of 800 m², the newly built steel construction hall with its modern and functional charm offers space for up to 700 people.

The associated quayside area on the Elbe also offers a wide range of possibilities for event combinations in the indoor and outdoor areas. With its central location, your guests can not only reach the location by public transport, but also find space in the in-house parking lot with a capacity for 125 cars.
