

An aerial night photograph of a city harbor. In the foreground, a large building with a distinctive, illuminated, wavy roof stands out. The harbor is filled with water, reflecting the city lights, and several ships are visible. The city skyline is lit up, with numerous buildings and streets glowing. The sky is a mix of dark blue and orange from the sunset.

# Historischer Speicherboden

Located in the heart of Hamburg - in the picturesque Speicherstadt - the Speicherboden historical attic warehouse, built in the 19th century, combines state-of-the-art comfort with the flair of old merchant tradition.

The lovingly restored location with its light wooden floors, ceiling beams and typical lattice windows extends over 720 m<sup>2</sup> and can be divided into up to three smaller units.

From professional conferences to lavish parties and romantic weddings to exclusive dinners: the location's versatile rooms offer the ideal conditions for every occasion.
