

An aerial night photograph of a city harbor. In the foreground, a large building with a distinctive, illuminated, wavy roof stands out. The harbor is filled with water, reflecting the city lights, and several ships are visible. The city skyline is visible in the background, with numerous lit-up buildings and streets. The sky is a mix of dark blue and orange from the sunset.

# Kleine Alster

In a unique location below the Alster Arcades, with a view of the water and Hamburg City Hall, you can experience unforgettable event moments at the Kleine Alster location. Situated in the middle of Jungfernstieg, colleagues, customers and employees are invited not only into the heart of the city, but above all into an unmistakable ambience.

The charming rooms in the listed location offer space for up to 300 people and every occasion: whether conference or Christmas party, whether with presentation technology or with DJ, whether with buffet or finger food - every idea can be realized in the Kleine Alster.

In the summer months, you can also extend your event on the hotel's own floating pontoon and plan your receptions or summer parties directly on the Alster.

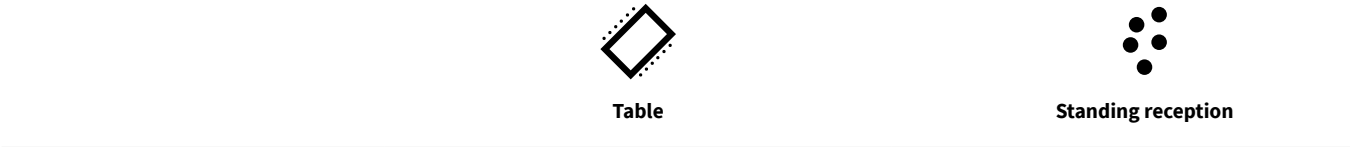

For all Alster lovers among you, your business event can also be combined with the blue center of Hamburg: Plan your conference on an Alster boat, for example, and discuss important topics while sailing on the Alster and the surrounding canals before ending the day with dinner on the Kleine Alster!
