

An aerial night photograph of a city harbor, likely Oslo, Norway. The central focus is a large, modern building with a distinctive, illuminated, wavy roof that resembles a series of peaks. The building's facade is lit up, showing many windows. To the left, a large ship is docked at a pier, and several smaller boats are visible in the water. The harbor is surrounded by city buildings, some of which are also lit up. The sky is dark with a hint of sunset or sunrise colors. The overall scene is a vibrant depiction of urban life and architecture.
