

An aerial night photograph of a city harbor. In the foreground, a large building with a distinctive, illuminated, wavy roof stands out. The harbor is filled with water, and several ships, including a large sailing ship, are visible. The city skyline is lit up with various lights, and the sky shows a sunset or sunrise with orange and blue hues.

Deck 9

Welcome to Deck 9, the event location in the GINN Event Center! Located directly on the Elbe, this extraordinary event space offers a breathtaking view of the harbor and the passing ships - the perfect backdrop for unforgettable events.

One location, three flexible room layouts - Deck 9 offers you a wide range of options for every occasion. For example, you can plan your conference in the bridge, host a reception on the upper deck and enjoy your evening event on deck 9 - including a small outdoor terrace. The central bar in the middle of deck 9 is not only an eye-catcher, but also provides the right refreshments for your event. Whether Christmas party, summer party, conference or wedding - here you can experience unique event moments above the roofs of the fish market with the best view of the Elbe and the harbor.

Whatever occasion you are planning - Deck 9 combines modern design and Hanseatic charm to create a unique ambience.
