

An aerial night photograph of a city harbor. In the foreground, a large building with a distinctive, illuminated, wavy roof stands out. The harbor is filled with water, reflecting the city lights and the sunset sky. Several ships are visible in the water, and the city skyline is lit up in the background. The sky is a mix of orange, pink, and blue, indicating dusk.

Design Zentrum Hamburg

The Design Zentrum Hamburg is an extraordinary event location in HafenCity that impresses with its striking industrial look, designed by the renowned Hamburg architecture and design firm Stephen Williams Associates. With around 350 m² of flexibly usable event space, the Design Zentrum offers the ideal setting for conferences, lectures, product presentations, trade fairs, workshops and art exhibitions - individually adaptable to your needs.

A particular highlight is the spacious outdoor terrace with a view of the water and evening sun, which is perfect for relaxed networking events, get-togethers or after-work events. Additional rooms such as the stylish library, an open gallery and a modern conference room on the upper floor offer further opportunities for smaller meetings, breakout sessions or exclusive business talks.

Thanks to its central location in Hamburg's HafenCity, the Design Zentrum has excellent public transport connections and numerous hotels, restaurants, cafés and other service providers are in the immediate vicinity.

Whether you are renting a conference room in Hamburg, looking for a creative event location with character or want to stage your brand in a unique setting - the Design Zentrum Hamburg offers you a stylish, urban stage for events with a lasting impression.
