

An aerial night photograph of a city harbor, likely Copenhagen. The sky is a mix of orange, pink, and blue from the sunset. The water is dark with some white wake from boats. In the center, a large, modern building with a distinctive, illuminated, wavy roof stands out. The city lights are visible in the background and foreground, reflecting on the water. The text "NORD EVENT" is in a white box at the top, and "THE BEST LOCATIONS IN THE CITY" is in large white letters at the bottom.

# Event ship Großer Michel

If you would like to experience Hamburg together with your guests in a very special way, why not move your event directly onto the water? Discover the Hanseatic city away from the waterfront on board the event ship Großer Michel: the ferry, built in 1955, is your floating event location for every occasion.

Extensively renovated in the 1990s, the ship combines modern comfort with Hanseatic tradition: the stylishly designed upper deck with elegant lounge furniture and warm color concept, a saloon that can be opened flexibly and an impressive panoramic view of the Elbe create an unforgettable ambience - for celebrations with friends, family, colleagues or business partners.

Enjoy an exclusive cruise along the Elbe with up to 120 people. The spacious saloon offers space for up to 80 guests. There is also a conference room for up to 12 people, seven comfortable cabins and a wellness area with sauna.

For balmy evenings on deck: The aft deck, made from fine marine mahogany, is the place to be. Equipped with comfortable cushions, it can be used as a stylish lounge area - or transformed into an atmospheric dance floor.
