MS Dockville festival site

In the heart of southern Hamburg, between the Elbe River and the charm of old industrial sites, the MS DOCKVILLE festival site open its doors for events that will remain in your memory. Where urban street art meets idyllic green spaces, a unique atmosphere is created—inspired by the annual MS DOCKVILLE Festival, characterized by creative freedom and a touch of adventure.

With over 24,000 m² of versatile space, you will find everything you need for unconventional events: from charming circus tents and spacious open-air areas to cozy lounge and garden areas. Whether it's a company party, product presentation, workshop, summer party, or incentive event—here you can flexibly host events for up to 8,000 guests.

The site offers a solid event infrastructure with electricity and water supply, stage and event technology, and weather-independent areas. Each area can be individually designed – from rustic and natural to modern and urban.

Thanks to its central location, you are only a few minutes away from Hamburg's city center, yet you can enjoy the feeling of being in a world of your own. Here you can celebrate in green surroundings, right in the heart of Hamburg – personal, inspiring, and guaranteed to be impressive.
