

An aerial night photograph of a city harbor. In the foreground, a large building with a distinctive, illuminated, wavy roof stands out. The harbor is filled with water, reflecting the city lights and the sunset sky. Several ships are visible in the water, and the city skyline is lit up in the background. The sky is a mix of orange, pink, and blue, indicating dusk.

# Sailing ships

Breathe maritime life into your event in Hamburg: on our traditional windjammers you can invite your guests to a unique celebration on the North and Baltic Seas. Come on board and relax with a fruity cocktail and a deck chair on the sunny deck or lend a hand and set sail with the crew!

rom product presentations and conferences to on-board parties on the water: there are virtually no limits to your ideas and visions. Salons, integrated bars and spacious aft and middle decks offer capacities of up to 120 people, depending on the ship, allowing you to sail along the Elbphilharmonie and the Landungsbrücken all the way out to Blankenese or even further!

Whether it's a themed day cruise or a relaxed multi-day cruise, an evening event or a team-building exercise lasting several days - on board our three-masted schooners, every event requirement is catered for.
