

An aerial night photograph of a city harbor. In the foreground, a large building with a distinctive, illuminated, wavy roof stands out. The harbor is filled with water, and several ships, including a large sailing ship, are visible. The city skyline is lit up with various lights, and the sky shows a sunset or sunrise with orange and blue hues.

Sonnendeck St. Pauli

Summer, sun, beach and Hamburg - what more do you need for the perfect event? The Beachclub St. Pauli is the atmospheric event location for your event against the backdrop of the Elbe and the port of Hamburg!

Vacation feeling in the middle of the city! Whether on the sun deck, at the bar or on sun loungers in the sand in the lounge area: at the beach club in Hamburg's vibrant center, you can implement your event ideas on a total area of 2000 m². From birthdays and family celebrations to summer parties with employees and customers to an unforgettable dream wedding - here you can create unique moments in a private and business setting for up to 1000 people. Three different bars provide homemade, fruity-tart refreshments to suit your taste while you enjoy the panoramic view of the Elbe. Also included: state-of-the-art technology with which a DJ of your choice can round off your event musically and, above all, atmospherically!

Celebrate the summer in the Hanseatic city in a relaxed, maritime atmosphere!
