View Eleven

Think big and industrial chic! At View Eleven, we plan your corporate and private events for up to 600 people in a direct waterside location on the banks of the Ottenser Elbe - including a fantastic panoramic view of the Port of Hamburg!

The interior of the 700 m² event location impresses with its modern ambience and floor-to-ceiling windows, which let your event shine naturally during the day and enchant you with the view of the city lights in the evening.

Two bars and a 500 m² outdoor area round off the experience perfectly: Whether it's a Christmas party, summer party or wedding - all celebrations can be held at this location. But that's not all: the View Eleven is also an ideal venue for regional, national or international meetings and conferences thanks to its state-of-the-art, built-in event technology in one of the most famous corners of the city, which locals and guests alike fall in love with!
