

An aerial night photograph of a city harbor, likely Hamburg, Germany. The Elbphilharmonie building, with its distinctive glass facade and illuminated, wavy roof, is the central focus. The harbor is filled with water, reflecting the city lights and the sunset sky. Several ships, including a large cruise ship and smaller boats, are docked or moving through the water. The city skyline is visible in the background, with numerous lit-up buildings and streets. The sky is a mix of orange, pink, and blue, indicating the time is dusk.
